Rare-Plane Detective Convention Schedule!

NEW YEAR, NEW SHOW SCHEDULE... As the saying goes, there's no rest for the wicked! It seems like we just attended our last show of 2010 in Buena Park, CA, and our road-weary butts would get to sit still for a spell. But then the model show season starts all over again in January with the Brewer Brothers show in Chino, CA at the USA Yanks Air Museum. Then comes a show I'm really looking forward to. When I was based out of Gulfport, MS, I attended ModelFiesta in San Antonio every year. I'll be returning again in 2011, after a four year absence. I can say without question that it is one of the best one-day IPMS club shows in the country! Alamo Squadron IPMS always puts on a heck of a shindig!

Hopefully a model show close to you is on the R-PD itinerary for some plastic wheeling and dealing. Not only do we usually bring loads of kits to shows, including a full selection of **Anigrand** and **Miniwing** kits, but also boxes of decals and aftermarket detail sets as well! We don't want anyone to go away empty handed from our tables!

SATURDAY, JANUARY 15, 2011

Rare-Plane Detective SATISFACTION GUARANTEE!

Rare-Plane Detective guarantees every purchase a customer makes from us... whether from the catalog, web site, show or eBay. After all, we want happy, satisfied customers! We instituted the following Satisfaction Guarantee in 1984, and we're proud to continue it today.

WHILE ALL NEW INVENTORY IS VISUALLY INSPECTED, because of the uncertain nature of buying and selling opened model kits from individual's collections, no guarantee can be made that the kits are as complete or in as good a condition as they seem upon our initial examination. Our policy is to offer only kits that appear to have nothing wrong with them. Any known defect (missing decals or instructions, poor box condition, etc.) will be noted in the item description. Of course, due to the tremendous volume of kits we deal in (*THOUSANDS & THOUSANDS*), we cannot go through each kit individually and count each piece. Also remember that some of the boxes may have a certain amount of shelf wear or damage, but, unless noted, the kit is not affected. If, after ordering, a kit has a problem that we have not noted, please contact us and you will have the option of: (1) replacement of missing/damaged parts (if available); (2) a replacement kit (if available); or (3) a full or partial refund depending on whether you want to keep the item or not. **HAPPY MODELING!**

ORDERING INFORMATION

Phone Ordered Items Held for SEVEN DAYS For Mailed Payment Arrival!

Customers can phone in any order and pay for it at that time with a credit card, or Rare-Plane Detective will reserve the merchandise for SEVEN DAYS awaiting payment by check or money order. If payment is not received after one week, merchandise will be returned to stock with no further obligation by Rare-Plane Detective or the customer.

Orders paid by check are held TEN DAYS before shipping to allow time for check to clear.
